Tansy Brook

Marketing Director & Research Lead
Lumo Bodytech

"From the very first classes, I was making mental notes about things I learned in class that our company could benefit from immediately. Working in start-up chaos as I do, it's great to have a space where I can step back from the tactical day-to-day and focus on the strategic."

THE EXECUTIVE MBA EXPERIENCE

Convenient

Attending classes Thursday–Saturday every three weeks gives you more time to absorb new knowledge and form deep bonds when you're here, more flexibility to balance your work and family needs when you're not—and lets you earn a Berkeley MBA degree in only 19 months.

Campus-Based

Being on campus and in residence enables you to participate in Berkeley-Haas and UC Berkeley campus life, connecting with students in our other acclaimed programs and accessing cutting-edge research centers, campus clubs, and leading speakers.

Community

Your future peers are an impressive and diverse lot. Every student we admit is talented, driven, and already accomplished in his or her field. Your classmates not only enrich your academic journey, they become trusted advisors, supporters, and friends for life.

Experiential

A full 25 percent of your curriculum is immersive. At the end of each term, you solidify your growing knowledge through five unique field experiences that connect you with groundbreaking entrepreneurs, leaders in business and government, renowned innovators, and with the authentic leader in you.

Ethan Ho

Vice President
CIT Group

"I had this 20th-century idea of an executive MBA program, where the students would be stodgy C-suite types, there just to put in the time needed to get the degree. My classmates are thoroughly 21st century: diverse, engaged, interesting, enthusiastic, demanding of themselves, and supportive of others."

OUR DISTINCTIVE CULTURE

Question the Status Quo

We lead by championing bold ideas, taking intelligent risks, and accepting sensible failures. We make a habit of asking, “Isn’t there a better way to do this?”

Confidence Without Attitude

We make decisions based on evidence and analysis, giving us the confidence to act without arrogance. We lead through trust and collaboration.

While the Haas School of Business develops leaders who redefine how we do business, these four Defining Principles define both what we stand for and how we stand out.

Students Always

We know we always have more feedback to hear and more opportunities to grow—even at the peak of our careers.

Beyond Yourself

We are stewards of something larger than our own lives and careers. We take the longer view in our decisions and actions.

Adam Tibble

Cardiac Anesthesiologist
NorthBay Healthcare

“The family feeling at Berkeley-Haas attracted me from the very start. There is a real sense that we are part of a community, and we all have a responsibility to each other and a real desire to see each other succeed.”
